at the request of the Board
The proposed Welland Drainage order
made by the Board of Agriculture & Fisheries
was considered

The draft order was fully considered
The Board were of opinion that
as the district of the Drainage included
over 9000 acres their representation upon
the Welland Drainage Board ^{would be} ~~was~~
insufficient and that as until the
Welland River was put into proper
condition above Deeping at Jarnes
the payment of one fourth ^{third} was
in excess of what the Board ought to
pay inasmuch as the benefit they
would receive would be very small.
and that they should not be assessed above
one sixth during that period
A vote of thanks to Mr Bain for his
attendance at the meeting was carried
unanimously
