

Proprietors of the Helpstone Paper Mills requesting them to filter their water and make it innocuous before it enters the Board's drains or proceedings would be taken.

The condition of the Crowland Road Drain from Glinton to Deakirk opposite the Glinton Council Houses was discussed and it was decided to call upon the Council to alter the height of their drain.

re Walderham Hall Scheme. It was decided that Mr. Strange and the Surveyor be asked to draw up a brief scheme with levels as suggested by Messrs Grantham & Son

Frederick Wilmut

(Chairman)

At a Meeting of the Drainage Board of the Maccy District of Drainage held at the Clerks' office Questgate Peterborough on Saturday 12 Mar. 1927

Present Mr J. A. Wilmut Chairman

Mr D. Vergette. Mr H. D. Strange. Mr W. Hadman
Rev Canon Nance. Mr J. Vergette. Mr W. Neavecon
Mr W. H. Broom

The minutes of the last meeting were read & signed.

It was proposed by Canon Nance, seconded by Mr W. Hadman that an analysis of effluent water near the Helpstone paper mills be obtained

It was reported that the height of the County Council Drains at Glinton had been altered

Messrs Grantham & Son's report on drainage by gravitation was read and discussed. Mr Broom proposed Mr D. Vergette seconded that steps be taken to enquire whether the necessary permits can be obtained for carrying out the scheme and also what proportion of the cost the Ministry would bear and subject to these being satisfactory the scheme be proceeded with. & it was carried unanimously

It was agreed that Messrs Grantham's fee be paid

121
re Grantham's report - Mr Wilmot reported
that he had seen Mr Dowse who was prepared to
agree to the scheme. and the Clerk reported that he
had seen Mr Thompson who intimated that the
proposal would be resisted.

after some discussion
It was decided that the Clerk should write
to the Ministry of Agriculture with a copy of Grantham's
report and ask what steps should be taken to have
the scheme sanctioned and a grant in aid obtained.

A letter from Mr Strange was read and the
question of works authorized by the works committee
was considered and it was resolved that all demands
be signed by three members of the works committee
before being paid by the Clerk.

It was proposed by Mr Strange that permission
be asked from the County Council to raise the level
of the Bank on the main road from Glington to
Northborough for about 80 yards to stop abnormal
floods.

A letter from Mr Neaverson as to the effluent
from the Steepstone Paper Mills was read and it was
decided to have an analysis made of the effluent
close up to the Mill before any other inlet comes in.

It was decided to ask the Rural District
Council to have a larger pipe placed at Woodcroft
where the drain runs under the road near the Castle.

Chairman.

At a meeting of the Drainage Board of the
Marey District of Drainage held at the Clerk's
Office, Priesgate, Peterborough on Saturday
30th July 1927

Present Mr. H. de Wilmot Chairman

Rev. Canon Nance & Rev. S. Almond

The minutes of the last meeting were read
and signed

A letter from the Ministry of Agriculture Fisheries
dated 23rd May 1927 stating that the Ministry
was not in a position at present to provide a
grant towards the proposed scheme of Drainage
by gravitation was read and it was decided
to proceed with the scheme at the first
favourable opportunity.

re Heightening of road from Planton to
Northborough :- The Clerk reported that
he could not identify the part of the road to be
raised and Mr. Strange promised to supply a plan

Mr. Elborne's reports of analysis of the Steepstone
Paper Mills effluent was produced to the Board
and it was proposed by Canon Nance seconded by
Rev. S. Almond & carried that a letter be written to
Doogood & Beckwith Ltd. calling upon them to write
an undertaking to submit to an injunction in the
Court if the boards drain's remained or in the future
became polluted.

Mr. Elborne's account was ordered to be paid
