

At a meeting of the Drainage Board of the Masey District of Drainage held at the Clerk's office, Puddgate Dierborough on Saturday 28th July 1928

Present

Mr. H. de Bilmot Chairman
Messrs E. J. Smith. W. Neaverson. H. D. Strange
W. Kemp. J. Vergete. W. Bloom & J. Neaverson.

The minutes of the last meeting were read & signed
Mr. Whitome's report on the pumping engine was read and it was proposed by Mr. Kemp seconded by Mr. Bloom that the thanks of the Board be accorded to Mr. Whitome.

The report was discussed and it was proposed by Mr. Kemp seconded by Mr. Bloom & carried that the old engine be scrapped.

The purchase of a new engine was discussed and it was proposed by Mr. Strange seconded by Mr. Neaverson and carried that Mr. Brand of Spalding be asked to make a second report as to the type of new engine he recommends the arrangements to be made by the Works Committee and the fee to be suggested as £2.2.0

It was decided not to proceed with the tenders for coal at present
Mr. Strange mentioned that the Hagf Moon bank was in a bad condition and slipping into the drain and it was decided to ask the works committee to report,

Mr. Hill of Masey attended the meeting to complain of smell caused by sewage in one of the Board's drains at Masey from the slacker to Castle End & asked that the drain should be cleaned out. This also was left to the Works Committee.

before payment.

Mr. H. Strange reported to the Board that he could not reconcile the total amount paid for labour with the amount entered on the time sheets & Mr. Williams was requested to go through his pay sheets with Mr. Strange in order to reconcile the apparent discrepancy.

North Sea Engine. A letter from Mr. A. Bain declining, on account of pressure of work in his district, to give an opinion on the Engine was read and after discussion the Clerks were requested to obtain quotations from

Messrs Marshall's Gainsborough
" Clayton & Shuttleworth Lincoln
" Ruston & Hornby Grantham
" Robey's Lincoln

for a new 10 1/2 h.p. single cylinder high pressure engine to drive the existing pump.

and from

Messrs Ruston & Hornby Grantham
& " Blackstone Stamford

(1) for an oil engine (suggested 36 h.p.) to drive the existing pump

(2) a new pump with a capacity of 30000 gallons per minute.

(3) an oil engine of sufficient h.p. to work the same.

The meeting was adjourned until after the quotations had been received the members of the Board to be notified of the date.

W. H. Wilmet
Chairman

At a meeting of the Drainage Board of the Maccy District of Drainage held at the Clerks' office Driestgate Peterborough on Saturday 8th Sept 1928

Present Mr. H. B. Wilmet, Chairman
