At a meeting of the Drainage Board of the Hasey District of Drainage held at the Clerk's office Drestgate Peterborough on Saturday 24th Nov 1934

Present

G. C. W. Fitzwilliam Esq. Chairman
Messrs P. Vergette, R. J. Goodfellow, W. Hadman
and Rev. R. L. White.

The minutes of the last meeting were read & signed. The Surveyor reported that as instructed at the last meeting he had seen the Surveyor to the Newborough Drainage Board with reference to the Jolly Slacker who informed him that there was no question of the Newborough Board closing down the slacker at any time against the Hasey Drainage Board's wishes and the matter was considered satisfactorily settled.

An application by the Peterborough Corporation Electrical Engineer for permission to lay electric cables across the Ram Culvert dyke at Deepstone was considered and it was resolved that the City of Peterborough Electricity Department be allowed to place the cables in the position indicated on the plan supplied provided an agreement is entered into with the Board for the payment of a wayleave of 5/- per annum the arrangement to be subject to 3 months notice on either side. Any work that is done and the necessary alterations to the bridge to be done to the satisfaction of the Board's Surveyor and the expense of the preparation of the necessary agreement to be defrayed by the Electricity Department.

Correspondence with Mr. Herbert Neaveison as to exempting his land at Glinton from Drainage rates was read and considered and it was proposed by Mr. P. Vergette seconded by Mr. Goodfellow and carried that the Board adhere to their former decision.

The Clerk reported an interview he had with an official of the National Health Insurance as to the Surveyors insurance and it was decided that the Board would admit Mr. Bate as insurable and the Clerk was ordered to make the best arrangement he could with the authorities as regards the arrears of contributions.
