An application from the Electricity Department of the Deterborough Corporation to attach an Electricity cable to the bridge in Woodcroft Lane was read and the Surveyor reported that it was not intended to proceed with the work

A letter from the County Surveyor as to fixing a further part of Dea Kirk Dike. The Clerk reported what he had done in the matter and his action was confirmed subject to Inspection Chambers or Manholes being placed as required by the Board's Surveyor

A letter from the Clerk to the County Council as to proposed rebuilding of bridges at Glington and Bainton and enquiring whether the Board would contribute to the cost, was read and the Clerk was instructed to reply that as the alterations were required in consequence of the Motor Traffic the cost should be paid by the Road Transport Board.

The Surveyor's report as to damage to Bridge at Northborough was accepted and it was left to him to see that the necessary work to repair the damage was completed.

A letter from the Clerk to the Rural District Council was read and it was decided that the Works Committee be asked to view the premises at their next meeting on 2nd May and report to the next meeting of the Board.

The Works Committee at their last meeting suggested that the Deterborough Corporation Waterworks Dept be written to enquiring who gave them permission to lay a water main through the Brook drain. The Surveyor reported that a pipe had been laid through that drain and it was decided that they should be written to for an explanation

The question of Workmen's Unemployment Insurance was discussed and it was decided that no action be taken at present

Chairman

D. Fergette

At a meeting of the Drainage Board of the
Masey District of Drainage held at the Clerk's
offices, 37 Drucolgate Peterborough on Saturday,
15th June 1935

Present. M^r Vergette. M^r D. Smith
M^r Broom. M^r W. Hasman. M^r N. D. Strange
M^r R. L. White
